

NEW TENNIS OFFICERS FOR COMING SEASON

LOOK FOR EARLY OPENING OF COURTS

The Narberth Tennis Association held its annual meeting last Friday night in the Y. M. C. A. Building and elected the following officers for the season of 1919:

President, A. J. Newell; Vice-President, E. A. Muschamp; Secretary, J. F. Donnelly; Treasurer, Arthur Staples; Board of Governors, A. P. Redifer, W. Y. Shaw and H. L. Philler. With the exception of Messrs. Redifer and Shaw, who served last year, all the officers are new.

The meeting was exceptionally well attended and a keen interest was manifested throughout the evening.

An amendment to the constitution, providing for the creation of a permanent Entertainment Committee, was passed. This committee will consist of three permanent members who will have the power to enlarge the membership from time to time when arranging and preparing entertainments. It is expected that the Tennis Association will have some genuine treats in store for the townsfolks next fall and winter.

A motion was passed providing for the creation of a special committee

whose business it will be to keep in close touch with the Narberth Country Club idea, which seems to be developing rapidly, gather all available data on the subject and keep the Association members fully informed on what is happening in connection with this important project. The Committee will consist of five members—President Newell and two of the other officers and two of the general membership, who will be appointed by the President.

The appointments to this committee, the Entertainment Committee and the regular standing Committee will be announced at an early date.

The annual reports of the retiring Secretary, Mr. Warwick, and the Treasurer, Mr. Metzger, were read and approved and a vote of thanks was extended to all the retiring officials.

Messrs. Burkhardt and Shaw were re-appointed as representatives of the Association on the General Soldiers' Memorial Committee.

The Association is planning to get the courts in shape at the earliest possible date.

the members a most pleasing afternoon with her very graphic and interesting description of her trip "Across Siberia Alone."

The last meeting was held at the school house under the Food Conservation and Production Committee, Mrs. A. B. Ross, chairman, the object being to again interest the children in gardens.

King's Daughters Hold Important Meeting

A very large and enthusiastic meeting of the Evangel Circle of King's Daughters was held in the Y. M. C. A. on Wednesday afternoon, March 12, 1919.

In their annual report they show an expenditure of \$647.45. This society is always on hand to answer the call of the needy and the appeal of the helpless. One of the families that they are especially interested in at present is a widow and ten children, ages from five months to 14 years, the husband and father having died of influenza. Another case is a little girl of 7 years entirely helpless. If anyone has a wheeling chair or a good-sized go-cart that could be used for this child, it would be appreciated. They have also just donated 12 sheets to Bryn Mawr Hospital, sent a barrel of provisions to some needy folks at Christmas, and are making bed sacks for a helpless woman.

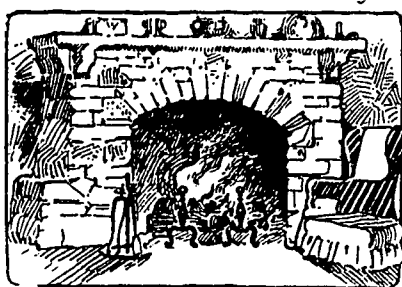

The following are the officers: Mrs. Fred Derby, President; Mrs. N. E. Smedley, Vice-President; Mrs. T. E. Walker, Secretary; Mrs. Samuel Bowman, Corresponding Secretary; Mrs. J. Phillips Witherow, Treasurer; Mrs. Geo. Merritt Davis, Press Correspondent.

The Visiting Committee consists of Mrs. George Merritt Davis, Mrs. W. I. Trotter, Mrs. Horton Williamson, Mrs. Samuel Bowman.

Montgomery County Convention of King's Daughters and Sons will be held Saturday, March 22nd, 1919, in Lower Merion Baptist Church, Bryn Mawr, Pa. The following ladies were appointed as delegates: Mrs. George Merritt Davis, Mrs. T. E. Walker, Mrs. Baker, Mrs. William D. Smedley, Mrs. Fred Derby.

Our society will hold a rummage sale in Ardmore on Tuesday, April 1st. Any one having anything that they cannot find any use for, yet too good to throw away, if they will kindly leave it at Old Post Office or notify any of the members, we will gladly call for it.

MRS. GEO. MERRITT DAVIS,
Press Correspondent.

The Women's Auxiliary

The Women's Auxiliary will hold its next monthly meeting on Monday evening, April 7th, at 8 o'clock promptly. This is a slight departure from the regular routine, but it is planned to hold this meeting simultaneously with that of the Board of Directors of the Y. M. C. A., to adjourn both sessions at as nearly 9 o'clock as possible, and then to have a social hour, with incidental music and refreshments.

All wives of members of the Board who are not Auxiliary women and husbands of the members of the Auxiliary are cordially invited to join us. It is earnestly hoped that there will be a large attendance. We are planning to entertain at least fifty.

COLLECTING OLD NEWSPAPERS.

As it seems almost impossible to secure proper conveyances for collecting newspapers, it has been suggested that all members and friends of the Y. M. C. A. sell their papers and either place the money received in the mite boxes which the Women's Auxiliary have distributed or hand it to any member of the Auxiliary. Please remember that no amount is too small to help the work we are undertaking, and we shall be most grateful for every penny offered us.

The members of the suffrage party again wish to thank the following, who contributed to its success: St. Margaret's Church, for the chairs; Mr. George Supplee, who gave the use of his automobile for hauling them; the Community Club and the Ladies' Auxiliary, for the use of the china, and the officers of the Overbrook Golf Club, who allowed the use of their club house.

The Pennsylvania State Suffrage Association will hold a convention on April 9th and 10th at the Bellevue-Stratford Hotel, to which the public is invited. A dinner will be given on April 9th at the Bellevue. The tickets, which are \$3.00, may be obtained from Mrs. Charles W. Young.

MAKE IT A THOUSAND.

Six hundred and two shares were taken in the twenty-seventh series of the Narberth Building and Loan Association on the opening night, which means that before the series is closed it will be at least a thousand shares, and the largest series the Association has had.

To show "that it pays to advertise," a great many shares were taken by our Narberth residents who have not been stockholders in the Association until the new series, and Our Town certainly is responsible for the large number of new stockholders as well as for the old stockholders who increased their holdings.

We wish to call your attention to the annual report of the Association, which was published last week, showing that the rate of profit was eight per cent. for last year, an increase over the previous year. When it is considered that

Interesting Dance Planned by the Community Club

There will be an interesting dance next Monday evening, March 17, at Elm Hall. The affair will be for the benefit of the Women's Community Club, and is in charge of the Hospitality Committee, of which Mrs. Charles Verna is the chairman.

In addition to the regular dancing there will be a special feature of exhibition dancing by Rodgers and Rodgers, which promises to be not only especially pleasing but quite unique. There will also be elimination dances.

Members of the Community Club and their friends are urged to remember that this affair will be next Monday evening in Elm Hall, beginning at 8.30 o'clock, and that a delightful evening is awaiting all who attend.

WOMEN'S COMMUNITY CLUB LUNCHEON ON APRIL 10th

The luncheon to be given by the Club on April 10th bids fair to be one of the largest events in the history of this organization.

Invitations are to be extended to representatives of the Montgomery County Federated Clubs and to about fifteen other clubs in and around Philadelphia. There will be an excellent assemblage of representative club women and addresses by women prominent in club life.

Fuller details will be given members later.

The meetings of the Women's Community Club continue to be of much interest. Dr. Sherman, of Philadelphia, was recently heard on the subject, "Social Hygiene," a matter which the Government has deemed wise to disseminate nation-wide. Dr. Sherman very capably and agreeably discoursed on this subject, advocating greater knowledge of the real facts as they exist, saying if we had never talked about small-pox it would still be with us in its most virulent form.

EDITORIAL

An Appeal to Reason

By A. Booster.

Is there any town in this part of the country that has given a better account of itself in athletics than Narberth?

Would it be good business for the people of Narberth to allow this spirit to die because we did not provide a place for the present and future generations to exercise, compete and develop?

Why are the soldiers of the United States the ablest men mentally and physically of any army in the world? The answer to this is that our soldiers are all athletes, all trained in one or more branches of sport and all clear visioned and alert.

Stop and consider at this moment the need of an athletic field.

Several years ago there were many vacant lots, quite a few large enough for a baseball diamond or a football field, but every available spot in our Borough is fast being built up for real estate development, and there is at present only one small baseball field available. And the town is growing every year.

What will happen to our High School outdoor athletics? Will we be able to compete with our neighboring schools?

Should Narberth provide a place for outdoor athletic development at once? Yes! By all means. Let us look just a year or two ahead. We will probably be saying we should have provided an athletic field along with our town development, but—

The returning soldiers will be able to tell us the value of physical training, and the Government itself made physical training a part of camp life and military routine.

Does our School Board approve of an athletic field, playground and recreation centre?

Does our local Y. M. C. A. approve of such a plan?

Do the parents of our children approve?

If such a plot of ground can be had, it should certainly be reserved, and at once.

Let us consider the necessity.

To the Editor of Our Town:

Several weeks ago I read an article in Our Town in which a certain person, who signed himself "One Interested," gave us his opinion of the Narberth High School for refusing to play the "Narberth All Stars" a second time.

This was a very witty article, but the author of it did not stop to find out the "All Stars'" opinion. As Assistant Manager I speak for them when I say that the refusal of a second game created no hard feelings. We realize that the High School schedule is full and that to arrange a special date would be to work the team too hard.

Furthermore, the High School defeated us fairly and squarely and we have no kick coming at their refusal of a return game. The team has already disbanded and no efforts will be made to bring it together.

Before I close I would like to bring to the attention of "One Interested" several mistakes which he made in his article. Most important of these was the mention of several persons (Frank Winne, Donald Kirk and Norman Kreible), who had nothing whatsoever to do with the team or the game. Another error was the listing of Kenneth Walton as substitute. Without Walton the "All Stars" would have had a hard job scoring 3 of their 23 points. His last error, but possibly not the least, was the statement that the "All Stars" had lost but one game this season. This was perfectly true, but to ease his conscience, if nothing else, he should have made it known that the "All Stars" played but one game.

Hoping "One Interested" takes no offense at these corrections of his careless errors, I remain,

GORDON HARRIS,
Assistant Manager.

Here and Hereabouts

To the Editor of Our Town:

It's here I am just to keep the seat warm until the rightful occupant returns, a very little while, then, for all of us must see to it that he comes back soon, as who can cope with him when the town's tid-bits are to be served in delectable fashion or whose pen can be so trenchant or so virile, or so kindly when proper rebuke is to be administered, when worthy cause is to be espoused or generous praise accorded? Aye, Cub, it's here you belong, and the strange things we hear about your deserting us must not be true at all, for our loss would be a sorry one if they were, and it wouldn't be like you at all to leave us to shift for ourselves nor to delegate the task you have assumed so long in your real man's way to those of us who can be but poor imitators of your splendid efforts in behalf of the town to which you are so loyal. It's waiting for you to come back, then, we'll be, and this poor hand I lend in your absence must convey the high regard your townsmen have for you, and it is meant to indicate that yours is indeed a worth-while offering and one we can ill afford to have discontinued. It won't admit of any argument, Cub, for you must come back, and this from a man who has received more than one of your devilish shafts.

And now the very first thing that comes up should have his master-hand to adorn it, and that's the proper appreciation which is due the Home Guards for the immense spirit of real service which they are manifesting in their nightly patrols of this man's town. These fine fellows, all of them, have their day's work to do, all the customary reasons for avoiding a task of this kind, but they're on the job just the same, and with great good will, and it's due them to know that the residents of Narberth join in hearty accord in acclaim of the stalwart work which they are performing. America thrives on such conceptions of duty and Narberth is fortunate in the high calibre of its citizenship.

It is good to note the excellent pro-

gress which the project for the soldiers and sailors' memorial in Narberth is making, and it looks as if a final conclusion will be reached very soon. Speaking for himself alone, in his capacity as a free lance, and not to commit Our Town to any specific plan or idea, the Spectator inclines very much to the thought which has been so effectively expressed in a recent issue that the memorial selected should primarily indicate that it was erected as a memorial; that it was not built for any other purpose, and while it may carry a utility feature, I think we would be wandering far afield if the "practical" part of the selection overruled or put out of countenance altogether the memorial element which we want to carry down through the years to come. To kill two birds with the one stone is a good workaday idea, but it's a Prussian plan, too, and I don't like it when it comes to commemorating Narberth's participation in the Great World War. That's one man's opinion, and no more, mind you.

This man Nash who is at the helm of the Civic Association is the right chap for the job, brimful of good ideas, an earnest advocate of everything which will help Narberth, and his efforts deserve the support of every man in the town who is interested in seeing Narberth come into its own and then some. Nash wants your suggestions and your plans, and he also wants your criticisms, for a bit of militancy, a discordant note or two, is a good tonic, and he's not of the kind by any means that knows it all. Give him a hand, for what the Civic Association accomplishes is calculated to directly benefit every resident of the borough, and it's your own horse you're backing when you get behind him. And that Boswell of his, that Bob Edgar, he with the long legs and no wife—can you imagine any Civic Association having a secretary better equipped for the job? There's a lot which can and should be said about the prodigious activities of this good fellow.

And wouldn't it be funny, now, if all this time the Cub were working upstairs, just putting one over on us with that infinite jest and capacity which are always his? Let's hope 'tis so.

THE SPECTATOR.

Cub's Weekly Letter

To the Editor of Our Town:

I'd accept August Evergreen's apology if he'd only stop musing up the Post Office. Did you ever go into Ed Haws' domain and wade knee deep through papers and other rubbish? Well, August had been there just before you, that's certain. He advocated the rubbish cans at the station and is forever clamoring about clean streets, etc., but like all reformers he's inconsistent—just as I've proved him to be several times. You see, he gets a big mail every day. Just where it comes from I don't know, but I suppose it's from school districts all over the world, seeking the benefit of his expert advice. Some of this mail is said to be written in English. Envelopes, wrappers and scrap of all kinds litter the place after August has read his "mail."

Ed Haws hired a detective to find the man who was responsible for the mess. It didn't require a Sherlock Holmes, as the trail led directly to August. Now if he will promise not to do it again, I'll let him off, providing he delivers some of the trees which he offered as prizes last year—a proceeding which seems to have slipped his memory.

They call him "Sparrow" Noel now. You know Charley's only about 5 feet 3 inches high, and his box in the Post Office is located something like 6 feet from the floor, consequently when Charley wants to see whether there's any mail for him, he hops up and down, his actions reminding one of a sparrow.

And while we are harping on things that happened around the Post Office, wouldn't it be well to cuss out the fellow who drove a heavy coal wagon right up on our Street Commissioner's nice new foot bridge and caved it in? "No use making any improvements around this town," says our capable Supervisor of pavements, ashes, bridges and prohibition laws, "until we hire a fool killer to protect 'em."

Joe Barker says: "If ye've got t'

make a woman mad, it is the part of wisdom to do a good job and make her so mad she can't speak."

Here's a how-de-do. It seems that Captain Donaghy, of the Lower Merion police, was invited to Narberth the other night to swear in the Home Guard for local police duty. Just who invited the Captain I'm not sure, but report points her finger at Constable Walzer. The aforesaid how-de-do isn't over the fact that Narberth is to have additional protection against robbers, hold-ups and all that sort of crime wave stuff which hysterical people imagine is sweeping over the land, but rather because somebody seems to have assumed a lot of responsibility in this swearing in operation without consulting the properly authorized officials. It is said that the Burgess, in conjunction with Councils, alone has authority to take this action. Now I'm being asked who is the law—the Burgess, Councils or Constable Walzer? And questions have arisen as to the legal status of the Home Guard, as well as to its authorities to make arrests. We have a Police Committee in Councils. I have been requested to explain its functions, and I'm also asked to answer this question: "What of Officer Hill, isn't he the legally constituted policeman of the Borough?"

Search me. I'm not going to try to decide this argument, but to my untutored mind it would appear that even though our amiable Burgess, who is not Burgessing much nowadays, happens to be away, it would have been courteous in his absence and would have given the proceedings a more legal appearance were Councils consulted. As for the Home Guard boys, nothing but praise and gratitude is due them for consenting to patrol the streets at all hours of the night, without pay or glory of any kind, for the protection of the rest of us.

Rev. C. A. McAlpine and his family leave Narberth next week for their new home in Bloomfield, N. J. Inasmuch as Rev. McAlpine cannot be with us on a week-day evening for a parting reception, the pastor cheerfully gives his time Sunday morning for a parting message. We cannot express too highly our appreciation of what these good friends have meant to us during their stay here.

Next Sunday evening we expect to have a lantern slide lecture on Alaska, under the auspices of the Woman's Missionary Society. It is suggested that every woman of the congregation come and sit together as evidence of their interest in missionary work, and those having a special interest bring their husbands and family as unimpeachable evidence of their interest.

You need the church and the church needs you. Come let's get together.

Wednesday evening meeting is led by the pastor and the Friday evening class by Rev. J. H. Poorman. All are invited to either or to both classes.

The "Every Member Canvass" of the congregation will be made on the afternoon of March 23, by the officers of the church.

Scout News

The regular weekly meeting of the B. S. A. was held Tuesday evening at Elm Hall. After a successful business meeting we adjourned to rehearse the minstrel show, which is to be held April 25. A very promising caste is being rapidly moulded into shape by our Scoutmaster.

We have a promising new member who is rapidly becoming a real Scout. If any of our townspeople are awakened from a profound slumber by the incessant ringing of their doorbell and upon opening the door find on their doorstep one of our rising members who asks for a sky-hook or a barrel of rubber nails, they should not be alarmed, as it is one of our Scouts going through the process of initiation.

We have at last found a suitable title for Hon. Roscoe D. Smedley, Esq., which will be announced in an early issue. S-s-h-h-h-h, don't tell anyone, but it is expected in scientific circles that he will announce plans for a new war tank. We are sorry, Roscoe, but it is rather late for this war. Don't worry, there may be another.

SCHOOL NOTES

NOTES AND COMMENTS.

By Invictus.

Narberth is certainly gaining a reputation among other High Schools. In the February issue of the Oracle (Abington H. S.) they make the following comment on the Narberth-Abington game: "Dickie, of Narberth, played with a broken thumb. He scored 11 field goals. We are glad his other thumb was not broken." The same number also contained a cartoon illustrating the fact that Narberth stood the Abington boys on their heads. They should know!

We have some fellows in the High School who will make wonderful waiters. Visit the Cafeteria at 12.03 any school days and see for yourself.

Mr. Melchior (in Physics)—"All sound is caused by vibration." Schaffer (aside)—"How about soup?"

It takes an expert mathematician to run our Hashery. Here is the usual kind of conversation the cashier must listen to. "I have two rolls, a plate of soup, three crackers at two for three cents. Please punch half of it out of this ticket. I will pay for one of the crackers in cash, and the rest is to be taken out of my brother's ticket when he comes down."

If you heard the excitement in Room 4 the sixth period last Wednesday, you might like to know that it was caused when Grace, the Junior from the wilds of Jersey, recited the Spanish numerals from one to empty-nine, in nothing—flat. Too much for us!

The Senior Class has adopted bow ties as the class uniform, it seems. We will forgive them if Livingston will leave that black and yellow horror at home.

She—"Why didn't you see Belle last night?"

He—"Nightibus darkibus.

No lightorum.

Climibus fencibus,

Pants tororum."

Famous Sayings of Famous People.

Walton—"You ain't no owl; your feet don't fit no limb."

Martin—"Drag 'em out."
Schaffer—"We can't all be Waltons."
Livingston—"Where is my English book?"
Miss Boynton—"There is a little humor in that."
Mr. Emmett—"Mr. Melchior has gone West."
Gilbert Ford—"We will repeat the Lord's Prayer."
Martin—"Get a little pep into this hymn."
Dickie—"Lend me a nickel."
Elizabeth Miller—"Number 32 out of the little brown books."
Miss Larzelere—"I love you!"
Audrey Cook—"Shut up, Judy."
Schaffer—"Come, let's play the Operato."

INVICTUS.

SPORTS COLUMN

NARBERTH HIGH WINS AGAIN.

The Narberth High School last Friday easily defeated Darby High's husky quintette in a basketball game on the home floor. The score was 40 to 28.

This is Narberth's second victory over Darby.

Dickie, Martin and Harsch, of Narberth, starred at their respective positions. Dickie made 8 field goals and 11 out of 12 fouls. Harsch, who played at guard, scored 4 field goals.

Sipler, Spahr and Collison were Darby's shining lights.

Narberth has now won 11 out of 13 games, and the local boys feel confident of winning the two remaining games.

NARBERTH QUINTET TOOK TEN CONTESTS.

Captain Dickie Has Alone Outscored Opposing Quintets.

(Public Ledger, March 9, 1919.)

Narberth High School has now won ten out of twelve games and with but three more on its list is preparing to conclude a most successful term with a trio of triumphs.

It is a curious fact that Captain Dickie has alone scored more points than all his team's opponents, the tally standing 316 to 313. He has made 71 field goals, a respectable portion of the 134 points registered in all by Narberth.

Coach Emmett has brilliant prospects for his team during the next few years, as three of this year's bunch are in the Junior High School. Martin is the only near graduate.

Baseball players will soon be called out, nearly all of last year's nine being in school. Bob Ward will probably assume the chief pitching burden with Ben Yowell to help him out. Nolan, Schaffer, Jenkins, Ward and Ricklin are other veterans.

AN INTERESTING SPEAKER.

Tuesday, March 18, is Legislative Day for the Women's Community Club of Narberth, and a most interesting program has been provided.

The speakers will be Mrs. Frank Miles Day, Vice-Chairman Legislative Committee State Federation of Pennsylvania Women, and Hon. Fletcher Stites, former Representative from Montgomery County. Mrs. Day will talk on pending legislation, while Mr. Stites' subject will be, "The Rough Road of a Legislative Measure."

Members of the Suffrage Association of Narberth are cordially invited to be the guests of the Community Club at this meeting. All club members are urged to keep the date in mind and attend the meeting, bringing a guest with them.

THE FIRESIDE

(Continued from Page 1.)

On the evening of March 28th, at 8.15 o'clock, the Haverford College Glee and Mandolin Clubs will give an entertainment in the High School Auditorium. This will be held under the auspices of the Senior Class, and the public support is solicited.

Mrs. Henry Keim, Treasurer of the Women's Auxiliary, will be glad to receive at an early date membership fees for 1919. She also reports that there are a number of small balances due for 1918. Will the members please note?

On the evening of March 28, at 8.15 P. M., a musical entertainment will be given by the Glee and Mandolin Clubs of the Haverford College. This will be held in the High School auditorium, under the auspices of the Senior Class. The admission is 35 cents.

The correct way to have your mail directed, if you live in Narberth and have a P. O. box, is to your box number. There are any number of the patrons who have all their mail thus directed. It avoids errors and delay.

Bring your friends from town and from the city to the dance given by the Community Club next Monday night. All their dances have been a success, and this is to be better than any former one. Exhibition dances by Rodgers and Rodgers will be a new feature.

Ardmore has more than doubled its population in the last three years from 5,500 to 11,500. The huge influx of war workers into Philadelphia and vicinity created a demand for homes so great that within this period the whole stretch of country between Philadelphia and Ardmore, along the trolley road beyond Sixty-ninth street, is dotted with handsome suburban residences.

There is a great deal of novelty in Charlie Chaplin's funny comedy, "A Night in the Show," to be shown at the Palace Theatre, Ardmore, on Wednesday. The number is one of the best Chaplin features ever released, and real "fans" will get lots of fun out of it. In addition the five-act drama, "The Law of the North," with Shirley Mason, is an added attraction.

Legislative class meetings are held every other Thursday at the home of Mrs. William Russell, 16 Woodside avenue, Chairman of Legislation of the Women's Community Club. These meetings are open to all club members. The meetings are at present being devoted to the study of the State Constitution.

Miss Edythe Humphries entertained the Alpha and Beta Chapters of the Delta Sigma on Tuesday, March 4. Those present were: Alpha Chapter, Misses Sydine Bolich, Margaret Eyre, Ruth Jones, Madeline McCoy, Agnes Rose, Marian Trotter, Eleanor Wilson, Augusta Witherow; Beta Chapter, Jessie Ballingall, Mildred Chambley, Eleanor Eyre, Elizabeth Harsch, Elizabeth Miller, Florentina Mueller, and Lillian Redifer.

The Women's Community Club will hold their dance in Elm Hall Monday night, March 17th. Exhibitions will be given by professional dancers, Rogers and Rogers, and other well-known artists.

Tickets, \$1.00, may be obtained from Mrs. C. P. Fowler or any of the club members.

It is earnestly requested that all members will make their ticket returns at the meeting Tuesday, if possible.

Mr. Millang arrived during the festivities.

this rate of interest is earned on your money, backed by the conservative investment of the funds of the Association, you will agree that there is no better investment you can make than taking out stock in one of the series of the Narberth Building and Loan Association. When we say "conservative investment," we mean that the mortgages placed through the Association have been so carefully considered by the Directors, that the Association has never had to take over a property, and if they should at some future time in order to save themselves take over a property, we have no doubt that it could be re-sold for more than its cost to the Association.

The funds of the Association are not only carefully invested; all mortgages being voted on by the entire Board of Directors, passed on by the Solicitor, Hon. Fletcher W. Stites, and insurance and tax matters followed up carefully by the Secretary, but both the Secretary and Treasurer of the Association are under bond large enough to cover

Rev. Sam Small who speaks in the Narberth Methodist Episcopal Church on Sunday evening, March 16, is one of America's most unique characters. He was a Confederate soldier at the age of fifteen. At the age of thirty he was editor of the Atlanta Constitution. While holding that position he was converted under preaching of Sam Jones. He thereupon resigned the editorship and joined Jones in his evangelistic campaigns. For more than a quarter of a century he has been on the trail of John Barleycorn and has spoken to more people in the interests of prohibition than any American, living or dead. Those who are able to get into the Methodist Church on Sunday evening will understand after they have heard him the secret of his great popularity as a public speaker. For the past year he has been on the force of the Pennsylvania Anti-Saloon League, under whose auspices he will speak on the subject: "Mopping up the U. S. A." (Adv.)

The members of the Board of Directors are not Directors in name only, but the attendance is nearly 100%, and they are all workers who use their best judgment in the interests of the Association.

We have tried to show that the stockholders' money is well taken care of and invested in safe mortgages, and that the affairs of the Association are well managed, and the accounts audited by competent Auditors chosen from the stockholders, none of the Auditors being on the Board of Directors, and that the Association is operated under the laws of the State of Pennsylvania, and yet the rate of profit is eight per cent.

The next meeting will be held in Council Chamber on Thursday evening, April 3rd, from 7 to 9, and the Directors will gladly explain anything in connection with Building and Loan matters and will be glad to have you be-

come a stockholder in the Association, as the twenty-seventh series is still open and requires but the payment of two months' dues in order to take stock in the new series.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.
As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
